

The Prime Choice For Prime Labeling

LABEL-AIRE®

Labeling Solutions That Apply

Model 5015 Front/Back Applicator

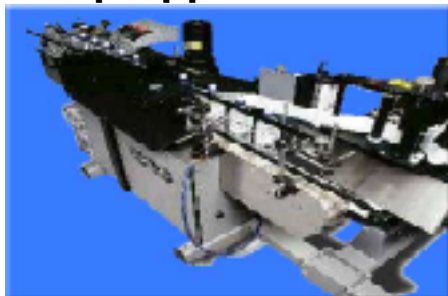

The 5015 Front / Back system is designed to wrap apply front and back labels up to 180 degrees around cylinders at speeds up to 60 / minute. The front label is dispensed onto the leading edge of the product as it begins to spin. The leading edge of the back label is tamp applied and label lay down is completed as the bottle spins in the wrap station.

Heavy Duty Series

The Label-Aire heavy duty series of applicators are extremely rugged units designed to address applications that require precise label placement accuracy (+/-1/32") at medium to extremely high production speeds.

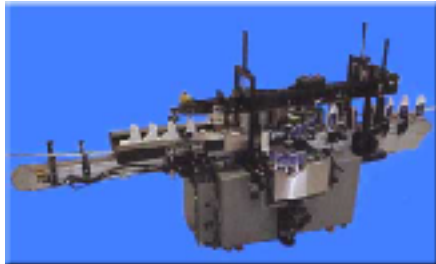

Model 5115 Vacuum Wrap Applicator

Specifically designed for the wine and water bottle industries and to handle almost any cylindrical glass or plastic container, the 5115's patented vacuumized reverse-feed wrap belt is designed to accurately apply full wrap, partial wrap or front and back wrap labels at high speeds. Handles both paper and film.

demand the best

Model 9115 Front/Back Applicator

The Model 9115 FB system is designed to apply front and back labels at speeds up to 300 products per minute. The 12 foot long timing belt driven system features patented variable pitch drive feedscrews, velocity compensation, a rugged cabinet base, and an extremely stable top hold down belt.

Heavy Duty Rotary Applicator

The Rotary Series 9000 is ultra-durable, constructed mainly of stainless steel, and handles most shapes and sizes of containers at speeds up to 600 cpm. It can accommodate up to six applicators on the same base. Available in a wide range of sizes from 4 to 40 station turrets

Options

- Right or Left Hand Unit
- Low Label Indicator
- Out of Label Indicator
- Web Break Indicator
- Velocity Compensation
- Imprinters
- 20" Powered Unwinds

Specifications

- Electrical: 115VAC, 60 cycle, 10A
- Air: 3 CFM @ 80psi (when req'd)
- Electronics: Microprocessor
- Label Roll Size: 12" OD, 3" Core
- Label Sensing: Optical Sensing
- Label Size: 4" width (6" optional)
- Size: Size & Weight Vary by Unit
